PERSONAL AND GENERAL It is reported that the terminus of the lissouri, Kansus and Texas division of the uri Pacific railway will shortly be reto Alvarado, where new side-tracks

Rio Grande, uniting the sister republic of Mexico with the United States, at Eagle Pass, has been completed for the Mexican National Railway Company. THE Tennessee railroad assessors spec Tass ay in Knoxville and received the state-ment and examined the officers of the East Tennessee, Virginia and Georgia railroad. They were sent over the road in a special

THE immense snow-plow that was on exhibition at the Exposition of Railway Ap-pliances was taken out the other day on the Illinois Central. When it reached Pullman it plowed up the platform, 150 feet long, in grand style, reducing it to splinters in a few

city, left for Vicksburg yesterday to witend a meeting of the original and proper etockholders in the Mississippi Valley and Ship laised railway, called at his instigation as attorney and agent, to meet in that city July

nands from the carpenter shop, and a reduction in another department will, as goes the talk, cause a number of hands employed therein to leave. This reduction is being made all along the line and is having just such effect elsewhere that it is here."

Monday the programme was arranged for carrying President Arthur and his Cabinet Columbus, Cincinnati and Indianapolis rose.

The increase is greated in the passinger carnings, which shows both g in in population, and that a larger number of people can afford to travel by rail. A portion of the increase, however, is no doubt due to the increase.

creased Northern travel in the South, which results from the growth of friendly teeling between North and South.

THE Chicago Tribune says: "The recent decision of the directors of the E-at Tennessee and to add \$16,000,000 of new stock to the \$83,000,000 of stock and bonds already cut is as good an occasion as any to call at-C. San. & C. 39. the \$83,000,000 of stock and bonds aiready out is as good an occasion as any to call attention again to the methods by which the fashionable financiers of Wall street are overloading the world with securities. The East Teomesce has about 1100 miles of road. Against this milesge it will, with the new stock, have the comfortable sum of \$109,000,000 of paper oursanding, which is as near as may be \$100,000 a mile, which is as near as may be \$100,000 a mile, which is as near as may be \$100,000 a mile, which is as near as may be \$100,000 a mile, which is twice of thrice as much as the road cos. This cleve, bit of papering has been done by the Seney syndicate, the same as that which projected and carried out the Nickel-Plate piece of infusirial blackmaning. They built the Nickel-Plate, or New York, Chicago and St. Louis, for a doubly bad parpuse—10 manufacture lithographic securities to sell to a silly public and to compel the Lake Shore to buy at an ex ravegant price a half-built road it did not want under penalty of having its business broken up. This philanthropic syndicate bad \$150,000 of paper printed for atock exchange up on every mile of this worthless road. One of the directors road it did not want inder penalty of having its business broken up. This philanthropic syndicate bad \$150,000 of paper printed for stock exchange use on every mile of this worthless road. One of the directors of the Richmond and Aliegheny road day's business since July 5th, as follows:

bas been communicating to the 32,000 Lackswanna, 12,000 Ric Grande,
Philadelphia Press a recital of the 5,000 Lonis & Nash. 6,000 Missouri Pacifi ate wrecked that concern and a veral others 'coosolidat d' sich i'. This road runs Resmond, Va., 250 miles through one the Most beautiful and fertile sections of the Od Dominton to a junction with the Chesapeake and Onio at Caffon Forge. It cost less to build probably than any other road in the United States not executed across the level pretries, for it was laid on the tow-path of the James River and Kenawha ca nal, which cost \$11,000,000, but was bought by the syndicate for \$900,000. The total cost the Richmond and All gheny was \$5,000,-00, but it was at once papered for \$10,000,-

ight it from the syndicate. Richmond Allegheny stack went from 72 to 61, and he road is practically bankrups and in the VEGETABLE COMPOUND. A NOTED BUT UNTITLED WOMAN.

P. P. Pease and Hugh Smith are her clerks.

GENERAL NEWS. Business quiet. RECEIPTS yesterday, 54 bales of cotton and 23 sacks of cotton-seed.

THE Kate Adams got away for Arkansas City with a good showing of freight and THE City of Providence arrived from Vicksburg yesterday afternoon, and leaves for St. Louis this morning at the usual hour. THE Vint Shinkle, in from Cincinnati, had 5043 packages and several passengers. She is receiving for her return trip this evening. THE Chattanooga river front presents the appearance of a banquist hall deserted. The occasional arrival of a skiff, however, continues to disturb the equanimity of Sambo, as he sits patiently waiting for a "nibble. So says the Democrat, of Wednesday. When the City of Providence passed the Jay Gould's barges, below Computere yesterday, some one on the barges called out that a man named David Newton had fallen over-

the tug, but learning that the quarantine or-dinance failed to cover this particular case, dismissed proceedings and ordered the city atterney to draft an additional ordinance to

Cincinnati Commercial Gazette, Wednes-day: "There was a large attendance of steamboatmen at the United States Marshal's

sale of the Thomas Sherlock, yesterday after

noon, where she lies near the marine ways. The bidding was epirited, the first being by Capt. J. D. Hegler, of the Guiding Star, who bid \$3500, followed by Capt. Wash Honshell by \$5400, and Paris C. Brown by \$5600

Ospt. Hegler and a young man called Fred bid against each other ever 80 times, until Capt. Hegler run the Sheriock up to \$8700, when the Marshal knocked the boat down to him. It is said Capt. Hegler's partners to

bim. It is said Capt, Hegher's partners to the bid are owners in the Southern Trans-portation Line steamers, together with Capt. John S Patterson, and that the latter will command the Sherlock in the line between Cincinnati and New Orleans. Young 'Fred' bid for another pool, in which Mr. Paris C. Brown and others were interested. Capt. Honshell wented the Sherlock for wharfboat purposes. The Sherlock cost over \$70,000

purposes. The Sherlock cost over \$70,000 when built, in 1873, and Capt. D. C. Robinson, of the Madison Marine Ways, who was present, save \$5000 or \$6000 repairs will make her a serviceable steamer for five

years. Experienced steamboatmen are o
